

In holidays we come together...

Holidays are a great time to spend extra time together as a family! In the following pages we have some Everyday Faith activities that we encourage you to do as a whole family!

*We want to encourage you to live **everyday** in
the Word,
Worship,
Prayer
& to remember and share
what you're learning and where God is at work.*

These activities can be done more than once too, so you can keep them in your bank of things to do when spending time with God together as a family!

&&& HAVE FUN!

Promise Bookmark

As we read the Bible we find God's words spoken to us. This week, pick a story or two or three and as you read, take note of any words about God that can help you have faith every day.

WHAT YOU NEED:

A Bible
Paper
Pencils
Scissors

Parent Hack

Finding a **regular time** and a **regular place** to read the Bible with your kids is a great habit to create. The more excited you are about the opportunity, the more your kids will get involved.

1. Trace around your foot
2. Colour in your foot with all your favourite colours
3. Cut out your foot
4. Write your favourite words (or a promise) from God inside your foot

Preschool Hack

Write out memorable words or draw memorable pictures as cues for the bible story or God's promise, with your child. Then they can then glue them onto their footprint.

Rainbow Scavenger Hunt

There are seven colours of the rainbow. Can you find different objects inside your house that is each of the colours listed below? When you have found the object, you can unlock the promise from God.

Love | 1 John 3:1

See what great love the Father has lavished on us, that we should be called children of God! And that is what we are!

Strength | Isaiah 40:29

He gives strength to the weary and increases the power of the weak.

Light | John 8:12

When Jesus spoke again to the people, he said, "I am the light of the world. Whoever follows me will never walk in darkness, but will have the light of life."

Faithfulness | Hebrews 10:23

Let us hold firmly to the hope we claim to have. The God who promised is faithful.

Peace | Philippians 4:7

Then God's peace will watch over your hearts and your minds. He will do this because you belong to Christ Jesus. God's peace can never be completely understood.

Courage | Deuteronomy 31:6

Be strong and courageous. Do not be afraid or terrified because of them, for the Lord your God goes with you; He will never leave you nor forsake you.

Comfort | Matthew 5:4

Blessed are those who are sad. They will be comforted.

Primary Hack

Once you have unlocked each of the promises, try remember what colour represents what promise from God (eg. Peace). Then have someone in your family take an object away and you have to try work out what promise is missing.

Together

Jesus prayed to God a lot. How much more do we need to pray to our Father in Heaven. This week, spend some time together thanking God for His word, His promises to us.

Gather together after dinner this week and pray together! What an incredible opportunity to pray as a family everyday!

WRITE IT DOWN

Writing or drawing down our prayers can remind us what we want to continue to pray for. This week you could spend some time writing or drawing the things that you would like to include in your prayers everyday this week.

Remember His WORD

This month's memory verse is

Faith is being sure of what we hope for. It is being sure of what we do not see.

Hebrews 11:1

You can get creative in how to remember the memory verse this month!

This week, can you **learn the actions** in Discovery Kids Online to help remind you of the verse.

Make a **video** in a crazy place at your house of the memory verse to share with someone who maybe hasn't heard the verse before. It might be a family member or a friend.

Parent Hack

Memorising God's word is SO valuable for our whole lives! Why not learn it along with your child? You can recite it in the car, at bed time and before dinner! Once they've learnt this one, why not find another verse to learn together!

Parent Hack

When doing everyday activities with your child, talk about what the word FAITH means. Take opportunities to share with your kids stories of how you have faith in God.
