

Hello wonderful preschool families!

Can you believe we're almost in August? Wow!

Praying for your families this month as we enter into our series The New Normal, all around living with Hope in an anxious world. We are going to be exploring God's word and sharing together how hope can be real for us no matter what is happening around us.

Praying that you would be able to have faith conversations with your child(ren) as you do the crafts together.

Below are the crafts for the month of August with all the resources needed if you would like to be prepared in advance.

Hopefully most of the items you have at home or can substitute in (old cereal boxes are the best to be cut into many different shapes and double as paper plates, paddle pop sticks etc.)

May the God of Hope fill you with all JOY and PEACE as you TRUST in Him!

Big Love,

Liv
