

Discovery Kids Preschool Craft

A Voice of One Calling

27 September 2020

Kids learn through play and creating! Making a craft is a great space to reflect on God's word and talk about what it means for your kid's life.

Watch

Tune in with the DK Online Service and see the craft made alongside the story. discoverychurch.com.au/kids/live

Materials (per child):

- 1 x A4 paper
- 1 x paper with heart drawn on it or print out
- 2 x strips of paper (can be coloured)
- Scissors (an **ADULT** may want to use these!)
- Glue (or stickytape/stapler)

Create

1. **Print out** or **draw** a heart shape
2. **Cut out** heart shape and **decorate**. (You can add the words **We are God's hands**).
3. Take one strip of paper at a time and **fold** backwards until you have folded the whole strip.
4. **Trace** around each of your hands on the A4 sheet of paper.
5. **Cut** around the hand outline (an ADULT may want to help with this)
6. **Glue** the one end of the folded strips of paper to the heart and the other end to your hands cut out.

We would love to see what your kids get up to and hear of the time your family spend in church this week! So let us know by emailing

kids@discoverychurch.com.au :

- a photo of their work
- a written story about the conversations
- a short video telling us all about it!

Have a great time creating as a family!
