

# Discovery Kids Activity

## Alpha & Omega

06 December 2020

*Kids learn through play and creating! Making a craft is a great space to reflect on God's word and talk about what it means for your kid's life.*

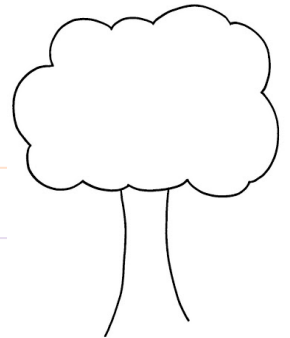

### Watch

Tune in with the DK Online Service and hear the message of this week.

[discoverychurch.com.au/kidslive](https://discoverychurch.com.au/kidslive)

### Materials (per child):

- 1 x paper
- Coloured pencils

### Create

1. **Draw** the outline of a tree on your paper, kind of like the one here
2. **Draw or write** all kinds of fruit on that tree (you might like to try think of a fruit for every letter of the alphabet and see how far you get)
3. **Choose** which fruit you like to eat and which fruit you don't like to eat

We get to make all kinds of choices every single day AND did you know that Jesus is always with you?!

4. **Pray** and ask Jesus to help you make good choices today.

We would love to see what your kids get up to and hear of the time your family spend in church this week! So let us know by emailing

**kids@discoverychurch.com.au** :

- a photo of their work
- a written story about the conversations
- a short video telling us all about it!

Have a great time creating as a family!
