

Discovery Kids Craft

Alpha and Omega

13 December 2020

Kids learn through play and creating! Making a craft is a great space to reflect on God's word and talk about what it means for your kid's life.

Watch

Tune in with the DK Online Service and see the story. discoverychurch.com.au/kidslive

Materials:

- A4 sheet of paper
- Crayons, pencils, texta's
- Coloured wool if you have it
- scissors

Create

1. **Draw** a thinking bubble shape that takes up most of your paper. Little ones, an adult or older sibling may need to help you.
2. **Glue** wool around the outline of your thought bubble to add some colour.
3. **Think & Talk together** about the vision that John had. What did it say the new heaven and earth were like?
4. **Draw** what comes to mind when you think about what Jesus said.

You can **listen** to the song "I can only imagine" by MercyMe as you draw. It's a song they wrote about imagining what it will be like.

We would love to see what your kids get up to and hear of the time your family spend in church this week! So let us know by emailing

kids@discoverychurch.com.au :

- a photo of their work
- a written story about the conversations
- a short video telling us all about it!

Have a great time creating as a family!
